**Public libraries are essential to communities, providing a vital link to the Internet, technology, and information. With their E-government, employment, and educational services and resources, public libraries are helping people access the information they need today — while building the next generation workforce.**

The Public Library Funding & Technology Access Study ([www.ala.org/plinternetfunding](http://www.ala.org/plinternetfunding)) survey is managed by the Center for Library & Information Innovation ([cli.umd.edu](http://cli.umd.edu)) at the University of Maryland and funded by the American Library Association and the Bill & Melinda Gates Foundation. More information about libraries & the Internet is available at [www.plinternetsurvey.org](http://www.plinternetsurvey.org). 2008-2009 data presented.
